The Oil Factor	Strictly for elegant ladies! SoapQueen presents Essential oils - Orange blossom (Neroli). This natural oil is a fantastically seductive. The name was founded from Princess Nerola of Italy who was known to wear it as her scent. The scent is sweet & floral & blends wonderfully with anything citrusy or floral. We like to use it on its own. It is aimed more towards the more 'mature lady' formulations, very elegant in its profile. A few drops make a super eau-de-toilette or cologne. Similar to other essential oils in that it is an uplifting, calming & anti-depressant ingredient, like lavender, it is lovely to place a few drops on your pillow. This grade is a Natural Grade making it a cost effective solution for Neroli Oil.
Functionality	An oil geared towards more 'mature lady' cosmetic formulations. A sweet & floral scent. An uplifting, calming & anti-depressant scent. Named after Princess Nerola of Italy.
