

DATA SHEET

Avocado oil - unrefined - Avocado olie - ongeraffineerd

Part Number: 31052 - OBW006

INCI name:	Persea Gratissima Oil
Synonyms:	Persea Gratissima, Persea Americana
Country of Origin:	Kenya / South Africa
CAS Number:	8024-32-6
EC Number:	232-428-0
Status:	100% Pure & Natural

General Description

Avocado is a tree belonging to the Lauraceae family. Growing up to 20 metres high, with alternately arranged leaves 12–25 cm long. The flowers are inconspicuous, greenish-yellow, 5–10 mm wide. This self-pollinating tree produces dark green-skinned fruit.

Extraction

Persea Gratissima Oil is the fixed oil obtained by pressing the flesh of Persea gratissima.

Common Uses/Applications

- Carrier oil used in aromatherapy applications.
- Component used in cosmetic products.

Aromatherapy Actions/Uses

- Considered to have the following properties: Emollient, antibacterial, anti-oxidant, UV absorbing & hydrating.
- Regarded to be helpful for: Digestion, heart disease, skin aging, wounds, scars, damaged hair or skin, psoriasis & eczema.

Allergens and IFRA

Contains none of the 26 allergens designated by the EU in European Union Cosmetics Regulation (EC) No 1223/2009 Annex III. Does not contain material restricted/prohibited by IFRA and therefore does not require an IFRA statement.

Animal Non-Testing Declaration

SoapQueen has never been involved in animal testing or retesting for any of its products, nor has it sanctioned any third party to conduct such testing.

Transmissible/ Bovine Spongiform Encephalopathy (T.S.E/B.S.E)

This product does not contain, and is not derived from, specified risk material as defined in Commission Decision 97/534/EC or mechanically recovered meat obtained from the vertebral column of bovine, ovine or caprine animals. During production, storage and transport there is no contact with any extracts of animal (cattle, sheep, goat etc) origin and a cross contamination is excluded. Product is therefore free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

Statement on Genetically Modified Organisms

We confirm to the best of our knowledge that this product does not contain nor has been produced with the aid of any genetically modified organism. In consequence, this product will not contain any detectable residues of protein or DNA resultant from genetic modification.

The data provided in this document is meant to represent anecdotal, typical data and information for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.
