

DATA SHEET

Dead Sea salt – coarse sea salt - Dode Zee zout - grof

Part Number: 61265 - ZOU03

INCI name:	Maris Sal
Synonyms:	Meersalz, Sea Salt, Oceangold, Salt, Sal, Ocean Gold, Dead Sea Minerals, Atlantisches Meersalz
Country of Origin:	Israel
CAS Number:	-
EC Number:	310-127-6
Status:	100% Pure & Natural

General Description

The waters of the Dead Sea are unique, having a total salt concentration that is 10 times higher than ocean water, reaching 33% versus 3%. The composition of the brines is also unique, comprising magnesium, potassium and calcium chlorides, in addition to a high concentration of bromides.

Extraction

Naturally occurring substances, inorganic salts obtained by the evaporation of sea water.

Common Uses/Applications

- Component used in cosmetic products.
- Spa treatments

Aromatherapy Actions/Uses

- Considered to have the following properties: Magnesium is reported to be important in combating fluid retention and slowing skin aging. Potassium is reputed to energise the body and help balance skin moisture. Calcium is purported to be effective in preventing water retention and increasing circulation, and bromides are said to ease muscle stiffness and relax muscles. Abrasive, humectant and skin conditioner.
- Regarded to be helpful for: Skin nourishment and activation of the blood system. Acne and psoriasis are relieved by regular soaking in water with added Dead Sea salt. Wrinkle reduction.

Animal Non-Testing Declaration

SoapQueen has never been involved in animal testing or retesting for any of its products, nor has it sanctioned any third party to conduct such testing.

Transmissible/ Bovine Spongiform Encephalopathy (T.S.E/B.S.E)

This product does not contain, and is not derived from, specified risk material as defined in Commission Decision 97/534/EC or mechanically recovered meat obtained from the vertebral column of bovine, ovine or caprine animals. During production, storage and transport there is no contact with any extracts of animal (cattle, sheep, goat etc) origin and a cross contamination is excluded. Product is therefore free from Bovine Spongiform Encephalopathy (BSE) and Transmissible Spongiform Encephalopathy (TSE).

Statement on Genetically Modified Organisms

We confirm to the best of our knowledge that this product does not contain nor has been produced with the aid of any genetically modified organism. In consequence, this product will not contain any detectable residues of protein or DNA resultant from genetic modification.

The data provided in this document is meant to represent anecdotal, typical data and information for this product and is correct to the best of our knowledge. The data was obtained from current and reliable sources, but is supplied without warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility to determine safe conditions for the use of this product, and to assume liability for loss, injury, damage or expense arising from improper use of this product. The information provided does not constitute a contract to supply to any specification, or for any given application, and buyers should seek to verify their requirements and product use.
